CARDIO

Cycling Beginners are encouraged to build their time on the bike to prevent soreness on the saddle. Classes are based on individual fitness levels to improve upon cardiovascular endurance while an instructor leads you through a series of flat roads, hills, jumps and sprints. All levels of fitness are welcome. Water bottle, sneakers or cycle shoes are required. **M**

Hard Core A class for those looking to get Hard Core! Improve your strength, cardio, agility, speed and endurance with a variety of exercises. Class is designed for Intermediate/Advanced levels. **M**

High Intensity Interval Training (HIIT) Intervals at your maximum intensity followed by a short rest. This format is using HARD work using full body movements, plyometric (jumping) and other equipment. Helps boost metabolism along with cardio to help burn those calories throughout the day. **M**

LO-HIIT Interval training with low-impact movements as an option. **M**

POUND® Full body drumming workout that uniquely combines cardio, conditioning, and strength training with yoga and Pilates-inspired movements using lightly weighted exercise drumsticks (Ripstix®). The workout is easily modifiable and is accessible to all fitness levels. **M**

Tabata A combination of moderate to high intensity exercises with bouts of rest (ratio 20:10 seconds), which provides a great alternative to traditional cardio workouts. Various equipment and plyometric (jumping) movements are used to achieve desired intensity levels. Class is designed for Intermediate/Advanced fitness levels. **M**

Water Aerobics Truly for all levels. An ultra-low impact combination of cardio, strength and stretching exercises that reduces stress on joints and muscles. **M**

MIND & BODY

Barre Burn: Work at the barre and challenge yourself in this safe, low-impact, total-body strength class involving elements of ballet and Pilates. The latest addition among specialty classes, Barre Burn is designed to increase muscle definition and improve posture, alignment, strength, and balance. **M**

Basic Strength/Rep Rep Reebok is an effective strength training activity, utilizing platforms and various weights to increase muscle tone, shape and function. Beginner to intermediate. **M**

Pilates/Mat Pilates This class is designed to increase the body's core muscular strength and stability, and increase flexibility, while focus is placed on breathing and postural alignment. The use of stability balls, bands and weights may be used during portions of the class. Exercises include standing, kneeling, sitting, prone and supine positions. Note many exercises involve flexion of the spine. **M**

Pilates and Beyond Take your knowledge of Pilates to the next level! You will challenge your core, increase your flexibility, and improve your postural alignment using the stability ball and the mat. **M**

Slow Flow & Yoga Enjoy a challenging Yoga practice at a slow, flowing pace. Experience the combination of strengthening, lengthening, and balance poses as well as Vinyasa flow. Movement, meditation and breathing - it's all here. **M**

Stability Ball/Strength Total body muscle sculpting using the stability ball to improve your balance and core strength. Working multiple muscle groups at once. Class requires the ability to sit comfortably on the stability ball. **M**

Strength & Stretch This muscle strengthening class incorporates the use of resistive equipment, i.e. weights, bars, balls, and bands to provide a total body strength training workout. All levels of fitness. **AOA**

Suspension Circuits Incorporate the TRX suspension training with high energy cardio intervals. **M**

TRX Suspension Uses your own body weight for resistance. TRX certified trainers teach you how to engage your core, work all muscle groups and provide total-body workouts. **M \$**

We are now offering group ex classes to non-members at the following rates:
