Releases

Please read and sign off on each of the following agreements. Campers will not be enrolled unless all agreements are signed. Contact jlea@levinicc.org with any questions.

Behavior Agreement

Camp Shelanu is committed to providing an environment where all are welcome. While every camper brings with them unique qualities and needs, they will be required to interact and behave appropriately with both the staff and other campers. Every camper and staff member should be able to have fun while feeling valued, safe, and comfortable while at Camp Shelanu.

Campers must

1. Be respectful of campers and staff. This means following directions and refraining from physical or emotional harm towards others, including hitting, kicking, biting, threats, intimidation, swearing, lying, and refusing to listen to staff.
2. Be respectful of the grounds, facilities, and the belongings of others. No littering, vandalism, theft, or destruction.
3. Be safe. This means staying with the group or a staff member and avoiding behaviors that could be dangerous, such as running away, climbing where not permitted, self-harm, etc.

We will use positive behavior techniques that are developmentally appropriate to make sure that campers are following the rules of the program and the directions of the camp staff, including:

1. Visual and verbal reminders of the rules at camp
2. Compliments, encouragement, and praise for appropriate behavior
3. Redirection or personal time or use of a quiet space. This can be in the same room as other campers or in another room based on what their specific needs are at that time.
4. Discussion with camper about their behavior
5. Problem solving with camper
6. Separating campers
7. Staff offering appropriate choices to help camper make good decisions

Staff will NOT use, or threaten to use, any physical contact or restraint, unless the child presents a clear and present danger to themselves or to others. If with the use of these positive behavior management techniques, campers are unable to follow rules and behaving safely towards self and others, the following steps will occur. Other consequences may be implemented at the discretion of the Camp Manager.

First occurrence of inappropriate or unsafe behavior

1. Staff will ask camper to stop the behavior
2. Staff will use verbal or written communication to parent/guardian regarding child's behavior
3. Staff may remove camper from situation (take to quiet space or safe space)
4. Camper may lose privileges (e.g., pool time, purchasing snack bar items, field trips)
5. Staff may create an individual behavior/action improvement plan.
6. For serious infractions as determined by staff, staff may recommend or require parents to pick the camper up early and/or one or more days suspension with no refund

Second occurrence of inappropriate or unsafe behavior

1. Staff will ask camper to stop the behavior
2. Staff will remove camper from situation
3. Camper will lose privileges (e.g., pool time, purchasing snack bar items, field trips)
4. Staff will discuss concerns with parent/guardian and create an individual behavior/action improvement plan.
5. Parent/guardian will be asked to pick the camper up early, and camper may have one or more days suspension with no refund
